Chapter 9
Case No. 13-5384
Hon. Steven W. Rhodes

**MOTION REQUESTING PARTICIPATION AT THE CONFIRMATION HEARING
PURSUANT TO THE COURT'S ORDER ALLOWING *PRO SE*
CREDITORS AN OPPORTUNITY TO PARTICIPATE**

1. On August 7, 2014, the Court entered an Order (Doc. 6584) to allow, pursuant to a Motion approved by the Court, *pro se* creditor's participation at the confirmation hearing and to present evidence, by either (1) presenting his or her own witnesses (including himself or herself), or (2) questioning other parties' witnesses.
2. On August 11, 2014, this Court entered an *Order Requiring City to Respond to Certain Pro Se Objections*. There were sixteen general categories of objections and within those categories were eight objections raised by Creditor Jamie S. Fields (Doc. 4404).
3. It is respectfully requested that creditor Jamie S. Fields, retired Detroit Police Department (DPD) uniformed employee, attorney acting *pro se*, be allowed to participate in the confirmation hearing pursuant to guidelines established by the Court. In support of the Motion he submits the following:

The Name of the Witness sought to be questioned, the Subject
Matter of the Proposed Testimony and the Expected Time Duration of the Testimony

Name/Title	Testimony Topics	Time Requested
Charles M. Moore, Senior Managing Director at Conway MacKenzie, Inc., operational restructuring advisors to the City of Detroit	<ul style="list-style-type: none">• Plan feasibility• The City's ability to provide adequate levels of municipal services• Effect of deferral of City's annual pension contributions	1 hour

The Proposed Evidence will not be Duplicative of other Evidence

This Motion is limited to the following two issues that were raised by creditor Jamie S. Fields and that were identified in the Court's Order of August 11, 2014 in paragraphs 5(b) and 6.

5. The Plan is Not Feasible

- b. The POA does not contain city service benchmarks to show whether reinvestment initiatives are working.

6. The Plan violates the Michigan Constitution because....the Plan gives the City a ten-year holiday from plan payments.

The foregoing issues bear directly and substantially upon the specific matter under consideration by the Court, and are neither cumulative, redundant, related, or are only tangentially related, to any opposition creditor arguments to the City's Plan of Adjustment. The witness identified in this Motion has been designated by the City as a "fact" witness. The witness has the experience, training and background to provide a lay opinion on both of the aforementioned issues and such opinion would be helpful to the Court in making a determination of the Plan's feasibility.
